Advertising & brand awareness by way of Race Sponsorship... it works!

We invite you to be a part of the various sponsorship and marketing opportunities The Eagles Run has to offer. It is an opportunity to build brand loyalty and attract new customers for your business!

Through this athletic event, your company can reach hundreds of walkers/runners and their families and friends. The Eagles Run is presented by & run during **North Aurora Days**, the Village's biggest event of the year!

Race sponsorship is a perfect way to get involved with your local community!

Three local causes will benefit from the proceeds of The Eagles Run this year: **NOARDA.org** (North Aurora River District Alliance), **West Aurora H.S. Track/CC Teams** and **theBransonProject.com** (a fundraiser for local twin boys affected severely by Cerebral Palsy).

For more information about The Eagles Run sponsorship opportunities, contact Kerri Branson at 630.677.2991 or kerri@theEaglesRun.com. We have various sponsorship levels and packages to fit your marketing needs.
